### The Stage Bus - Backline Specs

These specifications are correct as of March 2015, but may change to equivalent.

Please note that much of our equipment moves around stages and our touring stock, depending on the requirements of each booking. Their default setups are listed below, and can be guaranteed if requested.

#### Camper Stage:

Pearl Wingate Shell Drum Kit (exc. cymbals and snare)  
Vox 50W 12" bass combo  
Marshall 50W 12" guitar combo  
Crate 100w 2x12" guitar combo (if specified)

#### The Stage Bus:

Yamaha Stage Custom Drum Kit (ex Cymbals and Snare)  
Peavey 100W 2x8" bass combo  
Peavey 100W 2x12" guitar combo  
Peavey 100W 2x10" guitar combo (if specified)

#### The Truck Stage:

Yamaha Stage Custom Drum Kit (ex Cymbals and Snare)  
Ampeg BA115 100W 15" bass combo  
2 Peavey 4x12" cabs with Line6 Spider III HD75 guitar amp, other amp pending (will be equivalent)

#### Touring or additional Stock:

Trace Elliot 150W 1x15" bass combo  
Peavey 100W 2x8" bass combo  
Drum Kit breakables (Cymbals and Snares) are equivalent to matching drumkit, if requested.
